MEMORIAL DAY COMMEMORATION

The Darby Township Trustees extend an open invitation to the residents of Darby Township along with friends and family to gather on Memorial Day, May 27th, to commemorate and celebrate the men and women of the United States military who sacrificed their lives defending freedom and liberty for each of us.

This year's celebration will include a parade followed by a commemoration ceremony and concluding with a community lunch. The parade will start at 9:30am at the Township building and will end at the Veterans Memorial at the Old Darby Township Cemetery. Anyone wishing to participate in the parade should arrive at the Township building at 9:00am. The commemoration will begin at 10:00am and will include patriotic music and remembrance of those fallen. We are pleased to have Colonel (R) Salvatore J. Petrovia, served in the Army Branch who is our ceremonial speaker. We are pleased to have the Fairbanks High School Band perform.

A lunch will be provided at the Unionville Center Green. All are encouraged to bring lawn chairs. In case of rain, the ceremony will be moved to the United Methodist Church.

DEATH OF A SOLDIER

Almighty God,

Our hearts are saddened by the loss of all those who have given their lives to sustain the freedom that we so richly enjoy. Bring your comforting Spirit to the families and friends of these courageous men and women.

Grant, O God, your peace and love to all of them, for you alone can fill their emptiness with hope. We entrust them to your care.

Help us to draw creatively upon the limitless resources that you've provided. May we be brave so that the enemy won't succeed in depriving us of our freedom.

Grant us wisdom to solve problems and enrich life. Fill us with compassion for those in need, inspire us to live by your Word, cease oppression, help freedom prevail, and assure that dignity and honor reign. Then we shall know that the hero we honor today will not have died in vain.

We offer our prayer in your holy name. Amen

Chaplain Lt. Col. Mark E. Thompson
Deputy/Senior Clinician, EAMC DMPC
