

Darby Township  
Semi-Annual Road Inspection  
September 4, 2025

The Darby Township Trustees completed their semi-annual road inspection on September 4, 2025. The Trustees met at the Darby Township building and proceeded from there to inspect the roads of the Township. The following roads were inspected.

- O'Hara Road - no problems
- Debolt Road - no problems
- Unionville Road - no problems
- Middleburg Plain City Road - no problems
- Sam Reed Road - need to have berms filled
- Orchard Road - no problems
- Autumn Ridge Road - noted road cracks at different places. Working with the Union County Engineer Office on the road cracks.
- Hidden Farm Road - no problems
- Fladt Road - no problems
- Darby Meadows - noted that the first two homes on the right have old cars. Culvert issues - Mr. Nicol to address with the Union County Engineer.
- Ketch Road -no problems- a call was received after the road inspection from a resident requesting that brush/limbs be removed on Ketch Road.
- Ward Road - 9575 gravel in the ditch - Mr. Smith has addressed
- Pleasant View Road - no pool fence installed as required on zoning permit
- Herchanchan Road - trees need trimmed
- Trails End -Roush family property needs to be cleaned up. Also noted two old cars on the next lot. Confirm that Trails End Road is meeting the Darby Township housing requirements for houses on this road.
- Kandel Road - Kings property - condition of old farm house

The road inspection concluded at approximately 10:00 am
